

Department: Social Studies

Course Name: PK Social Studies

Course Description:

Pre- Kindergarten Social Studies focuses on the students' awareness of the world around them. Students will learn about their community and how they are each a member of communities. They will receive a basic introduction to concepts related to history, patriotism, good citizenship, geography, economics, and the importance of following rules and respecting the rights and property of others. To bring relevance to the study, students participate as members of a classroom community throughout the entire school year.
