Department: Visual Art **Course Name:** Kindergarten Art

Course Description:

This course introduces the student to the use of various materials that are age appropriate for the young child. Children are actively engaged in personal expression and interpretation of their own ideas as they explore the creative process. Understanding basic art terms and becoming familiar with various artists are integral parts of the class. Throughout the year the children will continue to gain an appreciation of their imaginations and the images that they experience. Students are encouraged to express themselves freely while creating original works in a safe and supportive environment. Students will be exposed to various mediums including but not limited to drawing, painting, printmaking, textiles, and sculpture.
