

Department: Performing Arts

Course Name: Upper School Band

Course Description:

This one-semester class is open to students in grades eight through twelve. It is designed for the experienced musician. The class expands and refines the experienced students' technical and musical abilities; it also reinforces the basics and fundamentals of music. Emphasis is placed on advanced rhythms, scales, chromatic, sight-reading, and music theory. Group performances such as Winter/Spring concerts and select Basketball/Football games are required. Using Acapella and PowerDirector as a supplemental delivery platform, students work independently exploring, analyzing, and comparing compositions. Students exhibit teamwork and collaborate with one another through performance opportunities each semester.
