

**Department:** World Languages

**Course Name:** Global Languages and Culture: Discovering Languages across the World

**Course Description:** The 6<sup>th</sup> Grade Global Cultures and Languages course is a 9-week exploration of how people around the world live, communicate, and share traditions. Students will investigate the Components of Culture while studying language, celebrations, and more. Through folktales, students will discover the values and lessons passed down in different societies. Engaging games and art projects allow students to experience culture in creative and interactive ways. By the end of the course, students will gain a deep appreciation of our diverse world and how cultures connect us all.

**Content:**

- Folktales and poetry from a variety of world cultures,
- Primary and secondary sources.
- A variety of languages and cultural beliefs
