

**Department:** Physical Education  
**Course Name:** Physical Education 6

**Course Description:**

Our students will demonstrate a comprehensive understanding of the important role of physical education, fitness, and healthy play in our personal lives and in society as a whole. They will possess the skills necessary to perform team and individual sports as well as maintain fitness and body control through various physical, mental, and social activities. A major emphasis will be placed on improving the four components of fitness: muscle strength, muscle endurance, cardiovascular fitness, and flexibility. Our program is to improve skill acquisition and physical fitness in order to develop healthy behaviors to promote lifelong wellness. Students will be masked properly at all times unless engaged in strenuous activities.
